

ST. HELEN LUNCH

2022-2023 School Year Update

2022-2023 STUDENT LUNCHES

For the past two years, the United States Department of Agriculture has offered free lunches to students. This program unfortunately will no longer be in place for the 2022-2023 school year.

For the 2022-23 school year, families can apply for free or reduced-price meals. To participate, a 2022-2023 Free and Reduced lunch application will need to be completed and approved. Per government regulations, your student(s) will have a temporary status from the previous school year for 30 days from the start of the school year, through October 6th.

Free and Reduced lunch applications are now available at all school buildings, school websites, and online at www.lunchapplication.com.

Only one application per family is required.
