TO THE PARENT/GUARDIAN: Students needing medication are encouraged to receive the medication at home whenever possible. The following information is necessary for any student who must take medication in school. All prescribed and over-the-counter medication must be accompanied by both Parent/Guardian and Licensed Prescriber authorizations.

By signing the form, the parent/guardian agrees to the following:

I will assume responsibility for the safe delivery of the medication to school in a properly labeled container. Prescription medication will be in a prescriber/licensed pharmacist-labeled container that includes the student's name, name of the medication, date, and dosage instructions (quantity and time) and prescriber's name. Over-the-counter medication will be in its original container with all labeling visible.

I will submit a new medication authorization form for each medication with parent and prescriber signatures at the beginning of each school year, and if the previous order changes during the school year.

For students transferring from other school districts: I understand that new medication authorization forms must be written by licensed provider for St. Helen School. (Orders written for other school districts are not accepted.)

I release and agree to hold St. Helen School, its officials, and its employees harmless from any and all liability foreseeable or unforeseeable for damages or injury resulting directly or indirectly from this authorization.

I authorize my child to receive the prescribed medication. I also authorize the exchange of information between the medication's Licensed Prescriber and the school regarding the health care needs of my child when deemed necessary by school personnel. I understand the School Nurse cannot provide or delegate the assistance with administration of this medication without this permission as determined by the Ohio Nurse Practice Act.
