

St Helen continues to monitor the COVID-19 Pandemic. On August 12, 2022, the Ohio Department of Education issued a [bulletin](#) from the Ohio Department of Health on the prevention of COVID-19 Spread in Schools. To start the 2022-2023 School year, we will follow the recommendations issued in that [bulletin](#).

As a reminder, parents are no longer required to report positive COVID-19 cases to the school, but we are asking families to follow the recommendations that have been issued by the [Ohio Department of Health on the prevention of COVID-19 spread in schools](#). St. Helen's policy on missed working during a time of absence is: Students who are absent are required to make up missed assignments. A student who is absent due to illness will not be expected to complete school work while ill. The student will be permitted the same number of days to make up assignments as he/she was absent

As always, please communicate absences to the school office.
