

# St. Helen School

Living Virtue · Building Character

---

May 18, 2023

Dear Parents & Guardians,

As you are aware Mrs. Ayers has recently accepted a position as St. Brigid's Principal for the 23-24 school year. A committee was formed to begin the search for St. Helen's next assistant principal. I am pleased to share with you that Mr. Chris Kash has been hired as our next assistant principal.

He will join our school's administration team on July 1. Chris was born and raised in Huber Heights as a member of St. Peter's Catholic Church. After high school he joined the US Army as an Intelligence Analyst. In 1997 he became a police officer with the Springfield Police Division. He transferred to the Huber Heights Police Division in 1999 where he would eventually become a Sergeant. After he retired from law enforcement he taught at Miami Valley Career Technology Center before joining Lehman Catholic High School as the Dean of Students, Athletic Director, and Assistant Principal.

Chris has been involved in coaching youth sports over the past 30 years. He has coached football and baseball. Chris has a Bachelor's Degree from Bethel University and license from Bowling Green State University. He is married and they attend St. Paul's Catholic Church in Englewood. They have four children and one grandson.

In recent communication he shared, "I am excited about this opportunity and I look forward to getting to know the St. Helen's community!"

I know that you will join me in welcoming Mr. Kash to our school administration team, and that you will support him with your prayers and words of encouragement in his transition.

Blessings,  
Principal Walters
